MYSTERY PERSON

Give your "Mystery Person" guesses to Payton, but remember, Only three guesses per person. The winner will receive a candy bar. Last month's mystery person was Megan McGaffey, and the winner was Taylor Kemp

- (1) I do not have more than seven letters in my first or last name.
- (2) I am not in seventh grade.
- (3) It is over seven months till my birthday.
- (4) I came to school less than seven years ago.
- (5) I am seven years old or older.
- (6) My birthday is not in the seventh month of the year.
- (7) My birthday is not on the seventh of the month.

The Newsletter staff would like to apologize to Mariah Toolin for missing her birthday in the last issue. Happy belated birthday, Mariah!!

January Birthdays

- 12: Collin Schlabach**
- 20: Amber Schwartz**
- 20: Mariah Miller**
- 22: Haley Slabaugh**
- 25: Jackson Hammes**

THE MONTHLY THINKER

Sally has twice as many sisters as she has brothers. Her brother Patrick has five more sisters than he has brothers. What is the least number of girls and boys in the immediate family that fits the above configuration?

Last month's Monthly Thinker answer was "a secret" and Monica Schlabach was the winner. Give your guesses to Kendal; you only have three. Good Luck!
