September 2, the varsity team left for the Comets' Tournament in Walker, Iowa. Our team got on the court with anticipation and enthusiasm ready for not only our tournament, but our first game of the season. We took the Comets to three games and won the third match by a couple of points. During the rest of the day, we had two more wins-against Tri-State and Quad Cities. After everyone was done playing, they had a team devotional and pizza for everyone. The team got to meet some of the other girls and talk with them. When all was over, the team hopped in the van and traveled back home for a good night's rest. Saturday morning we went out on the court trying to make ourselves wake up and play well. It was a tough game to get into emotionally and physically, but we made it with a win. The rest of the games we won and all the way to the championship, our team stayed strong. The championship was against the Comets from FFAI. We took it to three games and won 15-9. The Christian Character Award was given to us, and I got MVP. Our team learned a lot from this tournament, and brought home a bunch of things to work on.

—Amber #10

Fall Festival this year was held on September 23-24. On Friday, our school piled into our bus and headed down to the Fall Fest to perform. We started at 12:00 and the whole school sang two songs. The first song was "The Victory Chant" and the second song was "He Can." After those two songs the high school recited John 3:1-16. Next, 1-3 grade sang some songs and performed "The True Story of the Three Little Pigs". The grades 4-8 performed two songs and a few skits. Following that the high school performed a skit and two more songs which ended the program. I think that it was one of the best programs we have ever had. Pathway also had a booth this year where we sold baked goods and balloons this year. I think this was one of the best Fall Festivals I have been to in my life.

—Payton Miller

At the Fall Festival, there are many interesting things to do. You can go into old buildings like the post office and school house. There is also a train depot and a grandpa's house. Also there is an outhouse (or biffy) with two seats in it between the grandpa house and barn.

There are a lot of food booths at the Fall Festival as well. My favorite is the Fairview Taco Booth and Starla and Serena Schwartz' Bakery Booth. My Favorite food is the Taco Salad and Rib-on-a-Stick. My favorite drink is the root beer in a bottle.

There are numerous activities to do at the Fall Festival such as face painting and rope making. Also there are pony rides and a talent show. There was a man who made cool wood sculptures with a chain saw. Also we saw an antique booth and a booth that was selling crocheted things. As you can see, there were many things to do at the Fall Festival.

—Annette McGaffey

THE MONTHLY THINKER

I'm sometimes white,
But most often I'm black.
I take you there,
But never bring you back.

What am I?

The first person to solve this riddle will get recognized in the next Newsletter.

This year we are privileged to have a new teacher, Miss Amy Miller. Miss Miller graduated from Pathway in 2006. She attended the University of Northern Iowa for four years, studying as an English major. Miss Miller is teaching 1st-3rd grade, high school literature, and she is also coaching the JV volleyball squad.

We asked Amy some questions.

Q. What are you looking forward to the most this year?

A. "The chance to practice everything that I learned in college in order to grow as a teacher."

Q. What is your plan for the future?

A. "To work in an inner city school on the west coast, but I also want to be where God wants me to be."

A couple of Amy's favorites are coffee, homemade bread, living with her best friend, and teaching high school lit.

If you want to know more about Miss Amy Miller, you will have to ask her yourself.

MYSTERY PERSON!!!!

If you think you might know who the mystery person is, give your guess to Brian, but remember, each person has only three guesses, so use them wisely.

Favorite season: spring

Favorite gum: 5 Gum

Mp: has brown eyes

Favorite ice cream: cookies and cream

Favorite Technology: cell phone

Favorite band: Sidewalk Prophets

MP: would rather sleep on a beanbag than on a table or chair

MP: has blond hair

MP: has two siblings

31st-1st Pathway Tournament

7th-8th Quentin Road Tournament

21st End Of First Quarter

28th-29th HACC VB Tournament (@PCS)

If I could be any animal I would be a penguin. I would want to be a penguin because I wouldn't need a sled to go sledding. I would also get to go sledding a lot. I would also go swimming a lot too. I would also have lots of flubber which I love saying. Also I wouldn't be the only one who couldn't whistle. The best thing about it is school wouldn't be hard at all.

EDITOR'S

CORNER

Procrastination!! One of the most annoying words in life. No matter how hard I try not to procrastinate, guess what happens? I end up procrastinating, and it always comes back to bite me. The habit of procrastinating is a terrible one to have. And with a new year starting, I just want to encourage everyone, but especially the students, not to procrastinate. Yeah, it may seem harmless, and like the way out but believe me it is not. Not to mention that procrastinating is a *sin*! Normally we don't look at it as sin but it is and that's scary considering how often it happens. Procrastination is sin because God commanded us, as Christians to be diligent and not lazy (Romans 11:11). So if we procrastinate, we are actually hurting God by disobeying his command. So with that in mind, I challenge you to be diligent and not procrastinate. Not only will it benefit you greatly in the long run, but you will be obeying God, and that's what this life is truly about obeying Him.
