FALL FESTIVAL

Sept. 23 & 24., 2011

Pathway will have a baked goods/produce booth at the Festival again this year. The school will also be giving a short program on Friday morning. But.....We need your help!! There are two ways in which you can help: 1. Donations of baked goods and produce are needed to sell in our booth. Bake your family's favorite cookie, bar, pie recipe. Donate some to the Pathway booth and let your family eat the rest. This is a good way to use those extra cucumbers, melons, etc. that you have in your garden. 2. Donation of your time working in the booth. The time will be 2 hours. A worker sign-up sheet will be coming soon. High school students are encouraged and welcome to work in the booth with one adult present.

Your donations should be brought to the Festival site on Friday morning. If that is not possible, please make arrangements with Debby Graber for a pick-up at the school on Friday or Saturday morning. If you have any questions, please contact Debby (646-2886).

Mark you calendars - FALL FESTIVAL Sept. 23 & 24. Let's all plan to help with the Pathway Booth!

Thanks in advance for your help!
